

Perfect for Classroom Lockout, Housing Life Safety and Assisted Living Residence

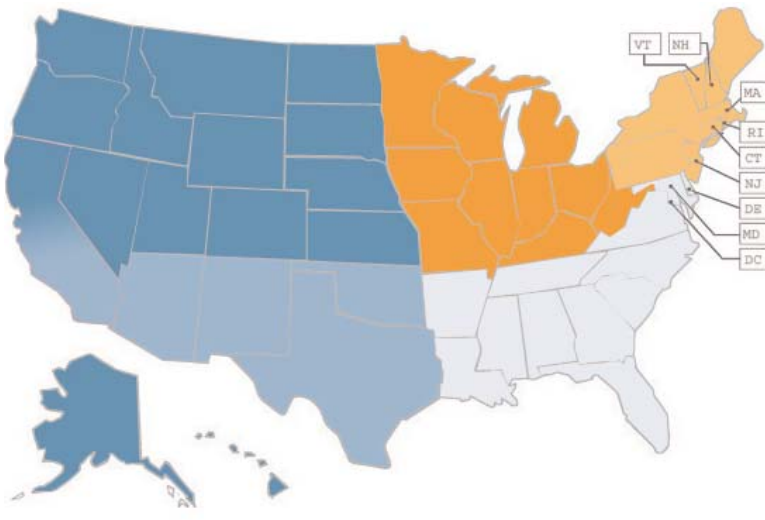

Features

- Automatic and manual operation
- Available in double-occupancy
- True access control
- Audit trail (up to 1068 events)
- Latch monitoring
- Key management made simple
- Fully compliant with Ontario Province Building Code 3.3.4.5

True Latch Monitoring...doesn't just check to see if the door is closed, it checks to see if the door is secure!

Manual operator and visual indication of security with thumb-turn deadbolt.
